SKG - CERTIFICATE OF CONFORMITY

SKG.0232.3647.01.ENG

This certificate is in accordance with the SKG Regulations approval, product certification and process certification: 2011.

Lever handles

as specified in the attached appendix (1 page)
manufactured and placed on the market by

d line as

Roholmsvej 12F
DK-2620 Albertslund
Denmark

are subjected to the Internal Quality System (IQS) of the certificate holder with respect to the model specifications and product designations. SKG has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and performs the continuous surveillance of the IQS.

This certificate attests that products, produced by or on behalf of the certificate holder, delivered under type- and/or article number as mentioned in the appendix meet the classification(s) according to:

EN 1906 : 2012

This certificate was first issued on 22 March 2013 and remains valid as long as the product certification agreement and if the product(s) and IQS itself are not modified significantly.

Wageningen, 22 March 2013
